*If you only want to duplicate an existing pump, please provide the serial number:
(if serial number provided Save PDF and Submit, no further data required)

Required Data for New Applications (required*):

Product Description (name, ingredients, properties):

CHARACTERISTIC	VALUE/RANGE	UNITS
Flow Rate:	*	* Other:
Differential Pressure:	*	* Other:
Viscosity (dynamic):	*	*
Temperature:	*	*
Inlet Pressure Available:	*	* Other:

General Pump Features (optional):

GEOMETRY:						
Port Size:	inch		mm			
Port Connections:	S-line	I-line	Flange	#	Other	
Cover:	Standard	Jacketed	Vented	Drain		
Drive Configuration:	Upper Drive	Lower Drive	Side mount left		Side mount right	
Seal Type:	1x mech	2x mech	1x o-ring	2x o-ring	Other	
MATERIALS:						
Elastomers:	Buna	EPDM	FKM	FFKM	Silicone	Other
Rotors:	Alloy 88	Stainless Steel		Other		
Gear Case:	Cast iron - painted		Stainless Steel			
Seal Face:	Carbon	Ceramic	Silicon carbide	Tungsten carbide	Chrome oxide	
Other Notes:						

Drive and Base Requirements (required if ordering motor or base):

Brand Preference:	Nord	Nord/Baldor	Sterling	Eurodrive	Other	
Enclosure:	TEFC	Washdown	SS	XP: class	div	group(s)
Voltage:	3hp, 60hz,		V	3hp, 50hz		V
Base Material:	Carbon steel	Stainless steel				
Base Geometry:	Channel	Flat plate	Tubular	Coupling Only
